## MATHEMATICS

### My Family Trip

Create a worksheet on planning the cost of a family trip to any destination. Some

Suggested questions are given below:

- a) **Introduction:** a family of four (4 adults) are visiting Ladakh from New Delhi for 7 days. Solve the problems below to calculate their total cost for the entire week.
- b) **Air fare:** a single round ticket for one adult costs Rs 9000. How much is the total air fare for 4 adults?
- c) **Package tour:** the family decided to take a packaged tour for the entire week. The package included the hotel stay on a double room sharing basis and travel by taxi in and around Ladakh. The room was given at a cost of Rs 1500 per day. Two such rooms were booked for the entire week. The local travel cost the family Rs 15000 for the week. Calculate the total cost of the package tour.
- d) **Lunch:** the family spends around Rs 2000 every day on lunch. What is the amount spent by them on lunch that week?
- e) **Shopping:** the family went to the local market to shop for souvenirs and traditional clothes. Their bill amounted to a total of Rs 1632. The father paid an amount of Rs 2000 to the shopkeeper. How much money should he get back?
- f) **Dinner:** the family went out for dinner to a five-star restaurant. Their total amount was Rs 5000. They also had to pay a service charge at the rate of 15 % of the total bill amount. How much money did they have to pay towards the tip?
- g) **Total amount spent on holiday:** Find out the total expenditure the family spent on holiday.
-

## SCIENCE

### INSTRUCTIONS-

All work to be done neatly in a copy. Only handwritten work will be accepted.

#### a. COVID-19 lockdown—A makeover for 'Mother Nature'

Collect information and write how the coronavirus pandemic is affecting the carbon dioxide emissions, how the rivers are much cleaner now, how the ozone layer is healing, how the animals are roaming freely on the streets and how nature is healing during the lockdown. Support your views by pasting pictures.

b. To increase your awareness about the ill effects of COVID -19, do the following research work using the e- newspaper, internet, magazines considering the following points:

1. Why is COVID -19 called as pandemic?
2. The name of the virus responsible for this disease.
3. What can you do to have a good mental and physical health during this tough time?

#### c. ACTIVITY -Heat and Temperature

Look at a clinical thermometer in your house and answer the following questions-

- a. What is the minimum and maximum temperature that can be recorded by the thermometer?
  - b. Why the doctor dips the thermometer in a liquid before taking the temperature?
  - c. Why the thermometer is kept under the tongue to record the temperature?
  - d. Record your body temperature.
  - e. Can the body temperature be measured by keeping the thermometer at some other part of the body other than the mouth?
  - f. Is the temperature same or different when the thermometer is placed at a different place other than the mouth?
  - g. Draw a diagram of clinical thermometer.
-

## SOCIAL SCIENCE

**HISTORY:** Collect information on one of the following Historical Monuments in the Medieval Period:

- a) TajMahal
- b) Humayun's Tomb
- c) Red Fort (Delhi)
- d) QutubMinar

For any one of the above monuments – MAKE an A3 size Poster covering the following aspects:

- a) Name of the monument and the city and state where it is located (in India).
- b) History of the monument along with a picture and materials used
- c) Architecture and Art used in the monument
- d) Present condition of the Monument
- e) List the dangers that tourism causes to the monument
- f) Write a 50-word paragraph to convince people to protect the Monument chosen by you
- g) Conservation of the Monument – 5 steps taken by state or central Government to protect the monument

**GEOGRAPHY:** Water is an essential part of our lives. Water is a renewable resource but we still have shortage of water in the world.

Make a Bookmark (of size 6" by 3") to spread the message of saving our water resources for the future.
