MATHEMATICS

1. Mathematics in Flags

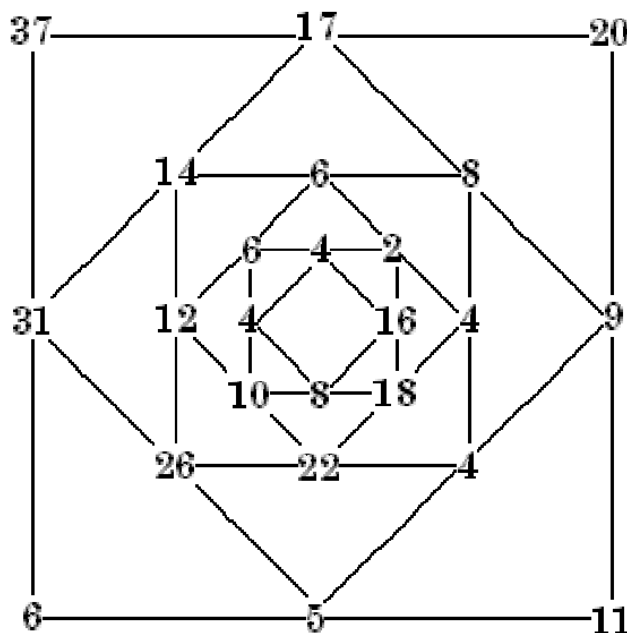

Select flag of India and any (one) other country and investigate some of the following:-

- What shapes can you see in it? Can you describe them and their angles?
- Does the flag have any lines of reflective symmetry, if so how many lines?
- Can you find any pairs of parallel lines? If so mark them on your flag.
- Are there any lines perpendicular to one another?
- Can you find a way to classify the shapes in your flags?

Task : Now design a flag which has at least two lines of symmetry, at least two geometrical shapes, parallel or perpendicular lines.

2. Game of Numbers

The middle number on each line is the difference between the two outside numbers.

Task : Prepare a grid which follows a definite shape and pattern of numbers.

SOCIAL SCIENCE

Hello students, summer vacation is upon us and for young scholars like you, it means a time to rejuvenate yourselves while eating ice-creams and mangoes to beat the heat, while taking care of yourself to prevent Corona Virus.

Mentioned below is the **project** that you will not only enjoy but also learn about your own roots.

- Make a project on your native place and research on the following aspects:
 - Physical features of the area. It may include mountains, plains, coasts, rivers, etc.
 - Mention the size, population and formation of your native place.
 - Identify the ruling political party and the leader
 - Heritage of the area including temples, mythology, monuments etcetera.

GENERAL INSTRUCTIONS

1. The work must be done in a very neat and presentable manner.
2. Get as creative as you can. Paste pictures or use any innovative ideas that you may think of.
3. The work will be assessed on the basis of handwriting, presentation, neatness and completion of all the given questions and indexing of the work.
4. Questions must be done in the given sequence.
5. Mention date and day before starting day's work.
6. Self and indigenous work will be encouraged.

OBJECTIVE: The student will learn about one's roots and will be able to understand one's foundation better.

**HEY KIDS! HAPPY HOLIDAYS. DON'T FORGET TO BEAT
THE HEAT and CORONA!!**
