# The Booknerds holds Roald Dahl event

**By OUR STAFF REPORTER**

**DEHRADUN, 29 Sep:** The Booknerds honoured the legendary author, Roald Dahl, at a local café. The best-selling children's author would have been 103 this month, and the event commemorated this with a day of fun activities.

Roald Dahl was a spy, an ace fighter pilot, a chocolate historian and a medical inventor.

He was also the author of Charlie and the Chocolate Factory, Matilda, The BFG, and a treasury of original, evergreen, and beloved children's books. He remains for many the world's number one storyteller.

The event was also attended by students from Kasiga School, Oasis School and Purkul Youth Development Society. The children read their favourite excerpts from the books, discussed their favourite characters, designed their own bookmarks, coloured Roald Dahl themed illustrations and played some fun games!

The session also featured Anubha who is a storyteller, regaling the children with Roald Dahl stories.

The session was moderated by The Booknerds team member Vidushi.

The Booknerds shall meet next for the launch of Tanmay Dubey's novel "The Red Line" on 6 October.
