

Date – 4th April 2020

Kasiga – School Closure Advisory

Dear Parents,

Greetings from Kasiga School!

Considering the nationwide lock down necessitated by Covid – 19 pandemic, the school will not be reopening as was expected on 19th April 2020. We will update you once we have a clearer picture taking into consideration the advisories and guidelines we get from the government. However, be assured that we will give you enough time to plan your travel back to school. Also as you are aware, this unprecedented closure will be treated as part of the summer vacation.

The school is committed to keeping in touch with parents and students and will continue to keep you updated.

Together we can sail through this time of unprecedented difficulties.

Thank you for your cooperation.

Warm Regards,
Sonali Sinha
Head of School
