Kasiga – Guidelines for reporting back to school

Dear Parents,

Greetings from Kasiga!

We hope that you have had a memorable time with your child during the winter holidays and now you are getting ready to drop him / her back to school.

This is a reminder for the following:

1. The deadline for reporting is 5:00 p.m. on Tuesday, 28th January 2020. Please ensure that your ward is dropped by that time. We will not be able to receive your child on the day if late.
2. It is strongly advised that your ward is escorted by either of the parent or the local guardian whose authorization has been registered with the school.
3. In no case, should a child be sent without an authorized escort to ensure supervision, discipline and above all the safety of the children.

We expect your cooperation in this regard.

Warm Regards,

Sonali Sinha
Head of School
